Survival/Creative Challenge

....WHAT ADMINISTRATORS SAY ABOUT OUR PROGRAMS...

"It sparks joy and creativity in children while at the same time they are developing the grit necessary to persevere difficult learning challenges."

"The magic of STEAM Gaming Minecraft Camp is that it balances 'in game' and 'out of game' activities with STEAM rich learning experiences."

"Once students experience Woven's program nothing else will do! Through interactive and team-based projects, students learn skills for life and parents can learn ways to connect with their students around their Minecraft passion!"

...CAMPS ALSO INCLUDE...

Giveaways
T-Shirts

Books

Backpacks

Custom Stickers

Activity Kits & more!

Daily camp progress
emails including

Character Education
Art

....WHAT PARENTS SAY ABOUT OUR PROGRAMS...

"The Woven experience certainly benefited our family."

"My 9 year old daughter had the time of her life.
It's the happiest she has been all summer."

....WHAT KIDS SAY ABOUT OUR PROGRAMS...

"Make camp longer."

"Camp is fun, I love it!"

"This is the best camp ever!"
